Call and see them. corn crop is asgo d as heart could wi-h for and is about made now. Cotton is doing well.

We have had an abundance of fine vegetables all through the spring, and those that have peach orchards have as fine fruit as I ever saw anywhere. We have lots of free grass in this country, and we want it to remain free.
What is meant by free grass is for all lands that are not fenced by the owners to remain free for all stock that is turned loose to run on it at large. But no large pastures. Leasing land stops the immigrant from settling up the country. A herd law in Northwest Texas is nonsense, since it would ruin

the country.
I think out of over one hundred votes at my voting-box there wouldn't be one vote for a herd law, but we would be solld for free grass. I am not a stock man; I came to Texas for the benefits derived from free grass, I am a farmer and have been living here in the western cert of here in the western part of Young county for six years, and if it had not Guarantee Fund of Fort Worth, Tex.
